

Dear Prudential Americana Group Family,

It saddens me to tell you that last night Sam, our Purchasing Coordinator/Facilities Maintenance, passed away after being rushed to the emergency room at St. Rose Hospital. The doctors were not able to tell us the cause of death at that time.

For those of you who knew Sam, you know he was a delight to be around and work along side of. He was always smiling and always looked at the glass half full in life. Sam was a dedicated employee who will truly be missed. I believe in my heart that Sam would want us all to focus on the positives in his life as he always did.

Wife: Melissa “Lisa” Wilson

Married: 17 years to the “Love of his Life”. Sam often said that the most exciting adventure of his life was being married to his wife.

Date of Hire: 11/27/06

Survived by his wife, Lisa, his “Mommy” (Barbara), Stepfather (Pete), older sister (Treina Clark) and her husband (James), 4 nieces and nephews, and the dog he loved (Haley).

Services are pending. In lieu of flowers, donations are being accepted at the Corporate Office on behalf of his wife, Lisa. Please send all donations to Corporate, Attn: Diane Ray.

A heartfelt thanks to all of the Americana Team who assisted until the paramedics arrived and those who were at the hospital to console and support Lisa Wilson.

GOD BLESS

Mark Stark, CEO
